From the Manager's Desk

It is pleasing to report that for the 2012/2013 financial year the Sports Club recorded a good year of trading and recorded a net profit of \$69,493.94.

Since the building extension was completed in October 2012 the club has progressed in a positive manner with increased business in all revenue areas including Bistro, Bar & Gaming. Bistro takings increased by 14.6% with approximately 58,000 meals being served to patrons during 2012/2013. The number of meals being served indicates that our staff continue to provide excellent quality meals at reasonable prices.

It is now just over one year since changes were made to the gaming industry structure and the ban on ATM's in venues. Whilst venues have enjoyed the financial benefits of the new gaming taxation structure which removed the duopoly profits and margin, gaming revenue throughout the State has been difficult to grow. Figures released recently from the Victorian Commission for Gambling Liquor Regulation reveal that electronic gaming machine expenditure across the State fell by 7.2% for the year ended June 2013. Fortunately, our Sports Club only recorded a decrease of 2.6% in gaming expenditure for the year which in comparison was a very satisfactory result.

Another recent addition to our club was the installation of TAB wagering and the Easy Bet Terminal located in the Sports Bar for TAB punters which is being used on a regular basis.

The Committee of the Club are to be complimented on their support to Management and Staff and for their contribution and efforts in ensuring that the Sports Club continues to develop and increase its business practice.

At the recent Annual General Meeting of the Sports Club the following members who are delegates from our associated sporting bodies were elected to the Sports Club Committee:-

- Mark Rohde - President
- Ron Murphy - Vice President
- Murray Nixon - Public Independent
- Paul Brooks
- Shane Harling
- Greg McClure
- Don Stuart
- Paul Weigard

Staff members of the Sports Club are to be congratulated on the dedication and commitment that they have displayed during a very busy time, especially the past 18 month period. It is a pleasure to work with good staff in a stable community environment and to have trust in our employees.

We look forward to your continued support of the Sports Club and I wish all members and guests a Merry Christmas and Happy New Year.

Regards,
