

EDITION 55

December 2017 – May 2018

From the Manager's Desk

The 2016/2017 financial year has resulted in the Kangaroo Flat Sports Club recording a profit of \$4,026.47. Although the net profit result was substantially lower from the previous financial year the club still performed well in all areas of trading, with turnover increasing by \$60,000. After allowing for abnormal items of gaming software and hardware expenses together with deferred gaming licence repayment, adjusted profit was approximately \$107,000.00.

To meet our financial commitments it was paramount that costs were controlled to enable us to reduce our financial overheads. The major financial commitment during the year being the final payment of the Club's gaming licence entitlement repayments which has been a continual financial commitment to the Club during the past 5 years. The annual gaming entitlement repayments amounted to \$288,000.00 per annum over each year of a five year period resulting in a total repayment of \$1,440,500.00 which resulted in a significant financial reduction of the club's financial commitments.

Recently, the Minister for Gaming announced the new Gaming Machine arrangements post-2022. It is believed that the new gaming licence entitlements will have a 20 year term, 2022 to 2042 which will provide certainty for all venues that will assist in controllable planning and financial budgeting. An administrative allocation process will be managed by the Government, therefore, incumbent entitlement holders will have first opportunity to acquire licence entitlements up to the number held of today.

Some of the main projects that were completed during the past financial year included:-

- Refurbishment of 60 gaming stools with new fabric at a cost of \$7,500.00
- Purchase of new Combi Steamer for kitchen at a cost of \$20,300.00
- Installation of new Cool Room at a cost of \$34,000.00
- New beer system in Cool Room at an approximate costing of \$40,000.00

Continued to support local sporting groups and community organisations with an approximate amount of \$70,000 being donated during the year.

A major highlight of the past year was the announcement by Community Clubs Victoria that the Sports Club was a finalist in the Victorian 2017 Best Club Bistro award. Management of the Club attended a function at the Sofitel in Melbourne to receive a certificate for being nominated as a top five finalist in the Bistro category.

Thank you to the dedication and commitment displayed by staff members that has enabled the club to sustain business growth in the various operating areas of the club that has contributed to another successful year.

The continued support provided by Board members to Management is appreciated and it is pleasing to work together to achieve our goals and objectives to meet our commitments in developing a great community asset that we have at Dower Park, Kangaroo Flat.

I wish all members a Merry Christmas and a Happy New Year

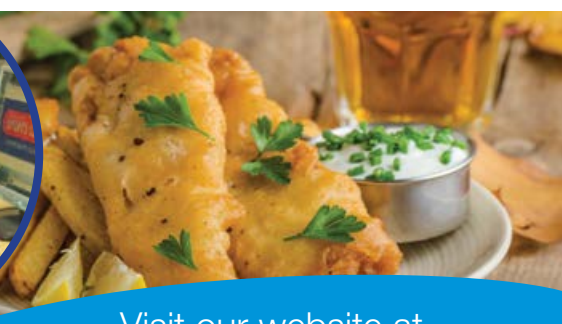

Ken Yates - General Manager
